## STUDENT CAMP COUNSELOR AND STUDENT SUMMER HELPER CONTRACT

For Summer Program alumni students who are 14 or older, two *Student Camp Counselor* (SCC) positions per program or camp are available. Additionally, two *Student Summer Helper* (SSH) positions are available also and students must be alumni and 12+ years old. Both SCC and SSH must read and complete along with their parents.

Being a SCC or SSH at OMF is an exciting opportunity to continue to learn about animals and the environment while developing leadership abilities.

As a SCC or SSH, the number one thing to remember is that the safety of children and animals is always our highest priority. SCC and SSH students are expected to behave responsibly and show respect to people and animals at all times.

*Student Camp Counselors* duties include assisting the teachers in classroom management, developing and implementing curriculum and activities, teaching riding lessons, mentoring *Student Summer Helpers* and other duties as assigned. Counselors are also required to prepare and make oral presentations at the end of each week.

*Student Summer Helpers* duties include assisting with educational activities, farm chores, and management of other children along with other duties as assigned. Helpers are also required to prepare and make oral presentations at the end of each week.
